

Expand your online reach

Corporate Partners enjoy promotional space on AudiologyOnline's expansive social media platforms.

In addition to the exclusive advertising opportunities offered to our valued Corporate Partners, we also help increase your brand/product awareness via various social media promotions.

We integrate daily posts and promote your courses, video spotlights, course spotlights, and editorial content through our social media channels. And we want to share more!

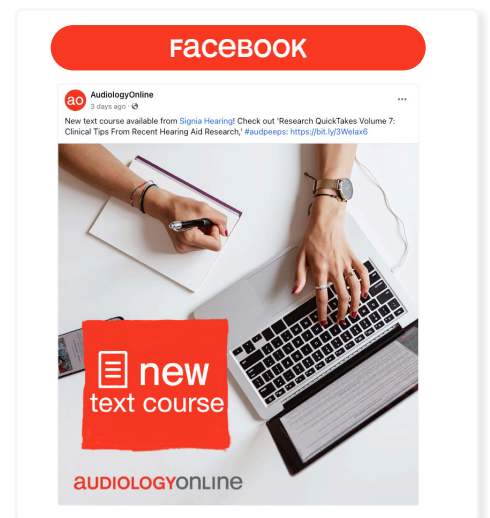

- Send us your social media initiatives and we'll broadcast those through our AudiologyOnline social platforms, which include Facebook, X, and LinkedIn.
- Tag us at **@AudiologyOnline!** We'll retweet and share from your social channels to our Facebook and X audiences (28,000+).
- Content should be industry related and is subject to approval based on calendar items and topic.

Ready to expand your online reach through unique and exclusive social media advertising?
